# 1. Description of the Service

In line with the mission of facilitating the smooth functioning of Money Markets and fostering their integration, the European Money Markets Institute (hereinafter referred to as “EMMI”) has launched an initiative to support the transparency in the ESG commercial paper market, called the ESG CP Transparency Monitor. EMMI will collect up-to-date information from the Applicants on the main ESG features included in their commercial paper programmes and publish this in a standardized and harmonized way. The published information will be made easily accessible for consultation by all interested parties.

EMMI does not provide any judgement nor valuation of the information provided by the issuers which is published as is. Issuers are responsible for providing the information following EMMI's requirements, and for ensuring that the data are correct and up to date.

# 2. Fees

The issuer participation in the EMMI ESG CP Transparency Monitor is subject to a flat administration fee of € 2,200 to cover the administration costs and a recurring annual maintenance fee of € 3,300 from 1st January to 31st December.

The annual maintenance fee is prorated based on the date of application.

Fifty % of the annual maintenance fee will be discounted if the programme is STEP labelled.

The fees are currently waived for application received by the 30th of June 2025. The Applicant has the right to terminate the Agreement with 60 days' notice prior to the renewal date of 1st January.
